20 March 2020

Dear Parents & Caregivers,

Re: COVID-19 Update – No 5.

We have just been informed that the Federal Government has decided to cancel NAPLAN for 2020.

NAPLAN Capacity test on Monday 23rd March is therefore cancelled as well.

The statement from the Minister of Education indicated that they have made this decision to assist schools, teachers and support staff to focus on the wellbeing of students as well as aiding the continuity of education including the potential of online and remote learning.

It has been a very interesting week. I thank you for your wonderful support that you have given us as we continue to journey with you through these difficult times.

Yours sincerely
