

March 10, 2025 Vol:2-25

"We are in the country of the Awabakal peoples. We respectfully acknowledge their elders, celebrating their continuing culture and the living memory of their ancestors."

This year the Church is celebrating a Jubilee Year, an event which occurs every 25 years. The theme of the 2025 Jubilee is 'Pilgrims of Hope'. Last Sunday Year 12 students and staff participated in the diocesan launch of the Jubilee Year by participating in a pilgrimage walk from Nobby's Beach to the Sacred Heart Cathedral, Hamilton. Bishop Michael celebrated mass for parishioners and school communities from across the diocese.

Also included in the celebrations on Sunday was also the launch of Project Compassion to coincide with the commencement of Lent. On Wednesday, our school community gathered for our Ash Wednesday Liturgy.

The following prayer is the Jubilee Prayer:

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel.

May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven.

May that same grace spread the joy and peace of our Redeemer throughout the earth.

To you our God, eternally blessed, be glory and praise for ever.

Amen

Morisset Bus

In 2024 two diocesan funded buses commenced operating from Morisset. One of the buses travels from Morisset Train Station through Cooranbong to St Paul's. The second bus collects students from the Bonnells Bay / Morisset Park peninsula and Dora Creek before arriving at the college.

The introduction of the buses has greatly assisted families and students, by dropping students off and picking students up from the college grounds.

Exploring St Paul's Program

In 2025, the College will continue the successful 'Exploring St Paul's Program' for students in our feeder primary schools. During Terms 1 and 2 students from the feeder primary schools will visit St Paul's on Friday afternoons and undertake activities in Science, Food Technology and Drama / Music. The program provides an experience of high school for the students and builds closer links between our feeder primary schools.

Today students from St Benedict's Primary School Edgeworth were the first students to visit the College. St Paul's looks forward to welcoming the students from our other feeder schools in the coming weeks.

Year 12 Retreat

On Wednesday to Friday of Week 4, the Year 12 students attended their Retreat. Students engaged in a range of spiritual and team building activities as a year group, small group, and they also took time for personal reflection in a wonderful natural setting at Bonny Hills. On Wednesday evening, Fr Paul Kamau celebrated Mass with the students.

Thank you to Mrs Pola-Kuras for developing the program and for facilitating the Retreat. I also wish to acknowledge the teachers who attended the Retreat for three days with the students. Thanks also to our parents and carers, for your support of your children in enabling them to participate in this special experience in Year 12.

International Women's Day

On Friday, senior female students and staff gathered in the Damascus Centre for our International Women's Day Breakfast where Mrs Yates shared her journey of life. There was also a message from former student Yasmin Clydsdale who is a member of the Australian Jillaroos team and live musical performances from another alumni Mishayla Turner.

The College offers its gratitude to Yasmin, Mrs Yates and Mishayla for their contribution to the morning as well as to Mrs Burns for organising the event, the other staff who assisted on the day and to the Hospitality Staff and students for providing breakfast.

NAPLAN- Years 7 & 9

Each year the National Assessment Program – Literacy and Numeracy (NAPLAN) is sat by students in Years 3, 5, 7 and 9. Students will participate in tests for writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy. NAPLAN is just one part of our school's learning assessment program. The tests assess literacy and numeracy skills your child is already learning at school, so the best preparation is their everyday classroom learning. Further information about NAPLAN is available on the NESA website (<https://www.nsw.gov.au/education-and-training/nesa/naplan>) and the NAP website (<https://www.nap.edu.au/naplan/for-parents-carers/>).

Please see below the schedule for NAPLAN tests for 2025 at St Paul's

NAPLAN Schedule 2025	
Date	Test
Wednesday, 12 March	Writing
Thursday, 13 March	Reading
Monday, 17 March	Conventions of Language
Tuesday, 18 March	Numeracy
Catch-ups will be completed during the NAPLAN testing window Wednesday, 12 March to Friday, <u>21 March</u>	

Students will need the required equipment to complete their NAPLAN tests:

1. Laptop- Charged (Ipads cannot be used to complete the tests)
2. Pen/pencil
3. Headphones- compatible with device- cannot be cordless

If you have any questions about NAPLAN, please contact myself by email or telephoning the school.

May the Lenten journey continue to be one that is self-reflective and an opportunity for spiritual growth, and as always, supported by the strength of the St Paul's community.

I would also like to take this opportunity in light of International Women's Day on Saturday, to acknowledge the contributions of the women of the college in providing inspiration, support and strength to all women.

Assistant Principal - Wellbeing and Engagement

As we move to the halfway point of Term 1, we reflect on how busy our schedules have been so far – We have welcomed our new Year 7's, begun our Friday afternoon sport activities, shared our Opening School Mass, enjoyed those special moments at Year 12 Retreat, cheered loudly for our competitors at the Swimming Carnival, organised our systems for the upcoming NAPLAN, begun the season of Lent with our Ash Wednesday liturgy, started the Peer Support and Yr 7 Community building activities, as well as having enjoyed the myriad of excursions and incursions which adds breadth to our educational experience. The range of activities and opportunities available to our students can only be offered with the generous support of our dedicated staff who work tirelessly for the students in their care. We look forward to seeing what the end of Term 1 brings. To keep up to date with all that goes on at St Paul's check out our Facebook page.

SRC

Our SRC team has also been finalised. These students will work with Mr Morgan and Mr Yates throughout the year and will be involved in organising many fund-raising activities as well as listening to the student voice. The first fundraiser for the year will be a pancake stall on Tuesday 11th March.

Congratulations to the following students who will be members of the 2025 Student Representative Council and who will continue to meet weekly with Mr Morgan and Mr Yates throughout the year.

SchoolTV

SchoolTV is a wellbeing resource that can support parents with the challenges relating to modern-day parenting. This resource helps build relationships, foster connections, enable understanding and break down barriers to navigate a pathway towards better mental health and wellbeing for young people. It can assist in starting conversations on topics that are sometimes awkward or difficult to tackle. Parents are encouraged to take the time to check out the great articles that are included in this resource. The website link: <https://booragul.catholic.schooltv.me/category-latest-newsletter> provides many articles, advice and discussions on adolescent issues such as friendships and belonging, resilience, positive parenting, eating disorders, school transition, body image and many more.

Our Adolescent Children

Sometimes as parents we blindly navigate these adolescent years not knowing whether what we are doing is right? We question ourselves and what's going on with our children as they begin to develop and grow into their own individual identities.

"Parenting adolescents can be demanding, terrifying, exhausting and a sanity threatening endeavour. Often it can be a lonely business with many parents being afraid to share their concerns."

Dr Michael Carr-Gregg

I think it's reassuring that our experiences as parents are shared and the key to successfully navigating these years is to continue to support and create an environment of trust for our children.

Swimming Carnival

Congratulations to all participants who attended our annual school community swimming carnival. The enjoyment of students and healthy competitiveness was awesome. Yr 12 influenced the fun in the day with their carefree and 'we can do it!' attitude.

26 students qualified for the Diocesan Swimming carnival which will be held Tuesday 11th March. We wish all these students the best of luck for all of their events.

Recently, Madeline Platt, Caine Platt and Ben Cowen represented the Diocese in the All Schools Triathlon. Whilst the 3 students performed really well, Congratulations is extended to Madeline who will compete in the Nationals Championships in Perth later this month. Good luck Maddi.

Year 8 News

Last week Year 8 celebrated their commitment to wearing the correct uniform. Everyone who has zero (like a doughnut) uniform infringements earned themselves a doughnut. What a great way to start a Friday! Well done Year 8!
