

June 6, 2025 Vol:5-25

*"We are in the country of the Awabakal peoples. We respectfully acknowledge their elders, celebrating their continuing culture and the living memory of their ancestors."*

A prayer for Catholic Schools:

God, our loving Father,

In this Jubilee Year and during Catholic Schools Week,  
you remind us of our call to love and care for all creation.

Bless our Catholic schools as places where we learn to replant,  
repair, and renew the world around us.

Help us to work together in faith and action.

Amen.

St Paul     **Pray for Us**

## Catholic Schools Week

This week schools across the Diocese have celebrated Catholic Schools Week 2025. The week celebrates what makes our Catholic Schools great and raising awareness of the many opportunities Catholic schools provide through faith-based education.

It also provides an opportunity for schools to not only showcase their rich and vibrant Catholic identity, but to affirm their integral role within our local communities, highlighting the multitude of learning and faith experiences that occur every day.

This year, the global Church is focused on the Jubilee Year with the theme being Pilgrims of Hope. The word 'pilgrims' is not to suggest that we are walking dusty roads with hiking poles, but rather to symbolise that we are all on a journey – teachers, students and families. And hope? That's what keeps us moving forward, even when the path isn't clear.

## Reconciliation Week

Reconciliation Week was celebrated between 26 May to 30 May. The College recognised this significant national event with a Liturgy based around the 2025 theme of 'Bridging Now to Next'. Bridging Now to Next invites us to reflect on our shared history and move towards a better future for all Australians.

## 2026 Year 11 Subject Information Evening

Tuesday evening of Week 5 saw the majority of Year 10 students and families attend the Year 11 2026 Subject Information Evening. It was wonderful to see so many people in attendance and to witness the fruitful conversations taking place between students and teachers. Throughout the evening, students and families gathered information which enabled the students to make informed choices about their subjects for next year.

Thanks to all the families who attended, Mrs Tierney, Mr Newell and the Leaders of Learning for their coordination of the evening and to all the staff who were present to work with the students and their families.

## DioSounds

On Thursday, music students from across the Diocese gathered at the Civic Theatre, Newcastle for the annual DioSounds performance. The theme for the 2025 performance was 'One Call. One Mission'.

St Paul's students performed wonderfully the following songs; Centuries by Fallout Boy, Delusions of Saviour by Slayer and Song for the Dead by Queens of the Stone Age. The students were accompanied by Year 12 Dancers choreographed by Cleo Doyle. It was great to see the students on the stage enjoying the opportunity to perform in front of a live audience. Thanks to Ms Garrett, Mrs Patterson and Ms Burt for their preparation and support of the students.

## DioDrama

On Wednesday night Drama students from St Paul's participated in the DioDrama performance with other students from across the diocese at the Civic Playhouse.

This provides an opportunity for the students to perform in front of a live audience. The students demonstrated their talents by showcasing four original scripts developed by the Australian Theatre for Young People.

In addition, St Paul's Year 9 Creative Industries students assisted with the technical aspects of the performances for all schools on the evening.

Thanks to Ms Burt and Mrs Paterson for their preparation and support of the students.

## **2026 Enrolments**

After the College's recent successful Open Afternoon and 2026 Information Evening the College is accepting enrolments for 2026 in all year groups.

## Assistant Principal - Teaching and Learning

The learning agenda at St Paul's continues to be filled with engaging experiences for students. I congratulate students for their participation in these opportunities that are designed to enrich their knowledge and understand of the curriculum. Coupled with these extra curricular learning experiences have been ongoing formative and summative assessments that inform student progress and where learning needs to be individually extended or supported.

St Paul's has a committed teaching and leadership team who must be recognised for the time and passion they devote to providing rich learning experiences for the students of St Pauls. As we move into the second half of the term I encourage students to stay focused and motivated to do their best in lessons and completed assessment tasks. Assessment tasks can be accessed through Compass learning Tasks. The outcomes and marking guidelines assist students to know how they can best meet the requirements of assessment tasks. If students have any questions regarding their assessment tasks they can contact their teacher or leader of Learning.

## **Diosounds Performance Thursday 5th June 6-30PM.**

### **Directors Notes**

Centuries by Fall Out Boy explores the desire to leave a lasting mark on the world—a call to be remembered and to matter. The song channels the energy of youth and the search for identity, strength, and connection. It speaks to the beginning of a journey—one call to rise to the challenge. The second half of our set features our senior elective Music and Dance students. Delusions of Saviour by Slayer and Song for the Dead by Queens of the Stone Age. These pieces delve into themes of inner struggle, chaos, and mortality, reminding us that our mission isn't always easy. But through adversity, we find clarity, unity, and purpose. At St Paul's Catholic College, music becomes a space where our students work collaboratively to achieve their full potential, reflect on their personal and shared mission, answering the call to grow, to persevere, and to walk with courage—together.

Thanks to Lake Mac FabLab's, for the assistance in completing custom projects for our year 7, 8 and 10 students this semester in the wood workshop. Years 7 and 8 were able to create a custom design for the lids of their pencil boxes, adding a personalised finish to the project.

The Laser printers were also utilised for the completion of the mantel clocks that our Year 10 students have been working on. The laser-printed clock face gives the project a professional touch for the projects.

Thanks for a great service from Lake Mac Fablab!!

ASPIRE invites students to spend 3 days working on a 10min performance piece to use for adjudication at the Junior Theatre Festival. Our piece will include songs and dialogue from the hit Broadway show, 'Seussical Jr'. Every ensemble member will play a vital role in telling a short version of the story and each performer will be on stage at all times throughout. This will be a fast paced 3 days, so we are looking for performers who thrive in that environment and can bring energy and positivity to the rehearsal space.
