## ***To the Families and Friends of the St Paul's Community.....***

On Tuesday 9<sup>th</sup> Bishop Bill, Fr Brian and Fr Geoff helped our community celebrate the beginning of a new year with a wonderful Mass in the School Hall. Mr Doyle and his team transformed this predominantly sports venue into a beautiful place of prayer and reflection. The highlight of the day for me was the outstanding attendance from the student body. It was calculated that the absentee rate was less than a normal day! Well done to the young men and women of St Paul's who made the conscious decision to be part of this special community. Bishop Bill's comment to me as we entered the hall was that it would seem almost time for a bigger hall!

On that day, we were also graced with a visit by Mr Ray Collins, Director of the Catholic Schools Office, Mr Gerard Mowbray, Assistant Director and Mr Brian Lacey, Head of Religious Education and Spirituality Services at the CSO. They were here to present a number of awards to current and past student of the school. (I know that we have mentioned many of these students before but I feel that it is important to acknowledge these further awards that they have received from the Catholic Schools Office).

The following students received awards for outstanding work for their Year 10 RoSA:

- Dean Blundell
- Skye Burgess
- Lauren Cameron
- Danielle Crouch
- Lara Duggan
- Aaron Gardner
- Eleanor Gould
- Tahlia McLean

As I have previously indicated, our 2015 HSC results were outstanding. The following students received awards for First Place in the Diocese for the following subjects.

- Madison Crouch – General Mathematics
- Keely Duggan – English Advanced, English Extension 1, and Legal Studies
- Madeline Gould – Design and Technology
- Mia Negline – Chemistry, Studies of Religion II, French Beginners
- Jayden Power-Jenkins – Japanese Beginners
- Jessie Ryder – Studies of Religion I

I have the privilege of sharing the text of the speech, Keely gave at the Director's Principals' Gathering where she received the award for highest ATAR in the Maitland Newcastle Diocese:

*It is such a privilege to receive this award today. It means a lot to me because I see this as a reflection of the hard work that went into my HSC, and when I say 'hard work' I'm not just talking about the effort that I put in, but I'm also referring to the effort of the people I was so lucky to be surrounded by.*

*And with that in mind I want to thank the staff of St Paul's, not just my senior teachers but also those who taught me throughout junior school and who contributed to and continue to contribute to the amazing community we have at St Paul's. I have always felt comfortable, supported and valued as a member of the St Paul's community and I think that when you feel that within a school it makes reaching your potential a lot more achievable. I remember being very nervous when I started High School. I came from St Kevin's at Cardiff, a lovely little primary school where every staff member knew the name of every student. I found it hard to believe that I would feel that same sense of community at my new school. But eventually, I did. I have had some incredible teachers throughout my time at St Paul's, teachers who believed in me and encouraged me to pursue the many opportunities that St Paul's offers its students, not just academically but also in the cultural and sporting aspects of school life. One of the many wonderful things about attending a 7-12 school are the special relationships you build with your teachers and year group and it is for this reason that St Paul's will always be a very special place for me.*

*I also want to thank my family; my mum, dad and little sister Lara for all their support over the HSC year. They walked on eggshells for about 12 months and put up with my stress, my doubts and everything that comes with living with a HSC student. It wasn't easy and I know that it must have been very frustrating but I know that if it wasn't for their support, patience and guidance I wouldn't have gotten through the HSC, let alone be attending this ceremony today.*

*And finally I'd like to thank the CSO for inviting us here to celebrate our results today and for everything you do for our schools in the diocese. While I'm looking forward to starting University and seeing what the future holds, there will always be a part of me that is attached to and misses St Paul's. It's a fantastic school from which I have gained so much and under the guidance of my teachers and the Executive, I believe I have grown both as a student and a person. I feel truly blessed to have been a student in this diocese and I will be eternally grateful for the education and opportunities I have received throughout my time here.*

*Thank you*

Keely's words embody all that we are endeavouring to do at St Paul's. She can be proud of her achievements as we are proud of all our wonderful award winners and all who give of their best every day while they are part of this community.

Last week I had a visit from Sr Anne Ryan from Toronto's Mercy Spirituality Centre. Sr Anne is organising an event on the 28<sup>th</sup> of April with Fr Richard Leonard as the guest speaker. Last year the staff of St Paul's was privileged to be able to have Fr Richard conduct our Spirituality Day. Fr Richard is a Jesuit priest who works in Sydney's Kings Cross. He is a media commentator and author of a number of thought provoking books. More importantly, he is charismatic, challenging, grounded and a consummate entertainer. Sr Anne has organised for Fr Richard to present 3 seminars over the course of the day. I commend this event to you knowing that he will leave you inspired, challenged and invigorated. The staff at St Paul's were so impressed with him that they have asked if he can work with us later in the year. Over the next few newsletters, there will be more information about this important event.

 **Qkr!**™ In the last few newsletters, our wonderful finance staff have been talking about QKR. This new smart phone app will allow for quick and easy payments for everything from excursion fees, retreat fees, buses, sundry payments and even school fees. This will mean the end of sending in cash with the kids and having them queue up at the finance window to make the payment. Later in this newsletter is all the information you need to download the app and how to get the best out of it.

So another very busy time at St Paul's. In the coming weeks we have the Year 10 Challenge Camp, the Year 12 Retreat, Catholic Schools Week and our seniors are settling in to regular assessment tasks. School has certainly changed a great deal since I was there some 35 years ago!

Go gently.....

**Mr Graeme Selmes**  
**Principal**

### **BoSTES and ATAR Information Evening**

Thank you to our many parents and Year 12 students who attended our information evening last week. At a very busy time for everyone, it was great to see so many students and families willing to invest this time in developing an understanding of the HSC and ATAR processes. I have placed a copy of the PowerPoint on the portal for your further consideration. If there are any questions or concerns, please don't hesitate to contact me.

Year 12 have received their assessment calendars for the remainder of the year and an up-to-date version is maintained at all times through the portal. There is an important variation to this calendar in 2016, in that we have reduced our mid-course assessment period to just two days (Monday March 14 and Tuesday March 15). Most assessments have been reduced in size and placed within the regular teaching term in an attempt to minimise the time lost by students during elongated examination blocks. Our hope is that this increased amount of face-to-face time will yield some positive outcomes for all students.

On the two specified assessment days, students will only need to attend school to undertake their actual tasks – a separate timetable for these two days will be provided to students this week.

### **Year 7 Information Evening**

Thank you to both parents and students who attended this evening on Monday. A collaborative approach to learning often heralds the beginning of a good educative journey and therefore we believe such nights are imperative within the St Paul's community. Thank you for taking the time out of your busy schedules to join us.

### **Assessment Handbooks**

Years 7-11 received their Assessment Handbooks last week. These documents detail all of the major tasks that will occur throughout the year ahead. I would strongly recommend that all students read this document and pay particular heed to the assessment calendar. Students can use this information to prepare adequately for the busy times ahead.

## Year 7 News

Week 6 already, Year 7 students seem to have settled into a routine at St Paul's. Students now confidently navigate the walkways, have established friendship groups and have found a 'place' in the playground at recess and lunchtimes. Classes seem to be running smoothly with minimal issues now that devices are connected properly to the network and are working well. If you are continuing to have difficulty with your device please go to the IT department (in B block, between B1 and B2) at recess or lunchtime to get your problem solved. If there are any Year 7 students that currently do not have access to a device, I ask that parents contact the school a.s.a.p., to make an appointment with Mr Selmes to discuss your situation. The longer your student goes without a device the more difficult it will be for them to access the curriculum.

All Year 7 students received their Assessment Handbooks last Wednesday. I strongly encourage students to read through the booklet with their parents to ensure that they are aware of the processes and procedures for assessment tasks. Of note the last two pages of the Assessment Booklet show a summary of task dates for each term of 2016.

Since our last newsletter Year 7 have participated in the school swimming carnival, successfully and bravely received their immunisations, and shared in a fun enjoyable Reflection Day. The next opportunity for Year 7 to shine will be during Catholic Schools Week on Wednesday 9<sup>th</sup> March when Parents are invited into the Classrooms. Parents and grandparents of Year 7 students are invited to join their child in the first three lessons on the 9<sup>th</sup> March. Students received a notification for Parents in the Classroom today. I ask that all students return the expression of interest notification (at the bottom of the note) to their TG teacher, so that we have an idea of how many extra people we need to cater for on 9<sup>th</sup> March.

**Mrs Natalie Squires**  
**Year 7 Student Coordinator**

## Year 10 News

### **Lesson outline for Year 10 Students not attending Challenge camp.**

As you would be aware from notes sent home and previous newsletters, the year 10 camp will be conducted this Wednesday 2<sup>nd</sup> March to Friday 4<sup>th</sup> March.

Following is the outline for the lessons that will be conducted to ensure that students are catered for academically during the time they attend school. Please see the varied timetable below outlining classes for these days.

School sport will be as usual on Friday.

## Year 11 News

It is pleasing to see the majority of students have settled in well to the routine of senior school. The **Tutor Group representatives and SRC representatives** were inducted at the Opening School Mass on February 16 with Bishop Bill, while the large number of **Transport Monitors** received their badges at the recent Form meeting. At next week's Year 11 Form meeting all students will receive their St Paul's senior school badge.

Last week Year 11 students received their very detailed **Assessment Handbooks**. It is important that students review the calendar for the Preliminary Year and note the dates of their assessment tasks and the weightings. These dates should then be entered into student phones with reminders one or two weeks in advance. Even posting a copy on the family fridge might be one way of alerting parents about 'stress periods'. The due date for payment for the **Year 11 Study Day on 10<sup>th</sup> March** is fast approaching. The outside agency "Learn4Life" is used for this day, and given that the HSC is a memory based exam it is important that students have access to a range of techniques to assist their memory retention. The cost of \$14 is a small investment for what could be valuable strategies to assist learning.

All **subject changes** should now be finalised, with the exception of students dropping levels within a subject, for example English Advanced to English Standard. Changes within the subject can continue until the end of the Preliminary Year. It is important where changes have been made, that students attempt to catch up on work missed and liaise closely with the teacher.

Last year as part of the End of Year program, students undertook the RYDA Driver Training Day at the Adamstown Driving Range. In August this year students will travel to the **Bstreetsmart Day** at All phones Arena. Further details will be forthcoming.

Finally, welcome aboard to those Year 11 students who in recent weeks have returned to St Paul's or who have joined us from other regional High Schools. St Paul's has a safe and accepting culture, and encourages academic excellence. Be a part of this – grasp every opportunity that comes your way!

## Year 12 News

Can you believe we are half way through Term One? Things have been busy but it's great to see the majority of Year 12 working hard and being really proactive in their approach to their final year of study. Thanks so much to all the students and parents that attended the HSC & ATAR information night. Thanks also to Mr Selmes and Mr Ptolemy for all of their wise words. Don't forget to follow up with them, Mr Mulhearn or myself if you have any questions.

Well done to all the students who chose to take up the opportunity to be a part of the Academic Support group. We had a lovely lunch meeting with some free pizza to kick it off. I really commend those students who have elected a mentor on staff to help them on their journey.

On a less positive note, there seems to be quite a few students driving to school who are yet to return their transport form. It is a requirement that the form is filled out before driving to school is allowed and of course the staff car park is not for students.

Attendance is an important part of Year 12 so please encourage your child to attend every day. Some of our students have fallen into a bad habit of sleeping in and with all of the important information conveyed during tutor group it is even more essential that they arrive on time.

To end on a really positive note we are all getting really excited about Year 12 Retreat. It is on from the 16<sup>th</sup> -18<sup>th</sup> of March. The final payments are due soon. Don't forget there is an app Qkr you can download to make payment easier details are on the finance page of this newsletter.

**Acting Year 12 Student Coordinator**

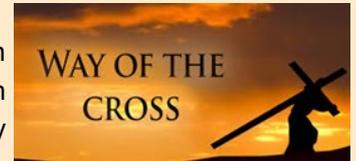

## Year 12 Retreat

Please return payment and note for the retreat as soon as possible. Special dietary requirements need to be sent to Ms Guest by Wednesday March 2<sup>nd</sup>.

## Way of the Cross

Every year our school participates in the Way of the Cross celebration held at Kilaben Bay. This year the event, led by Bishop Bill Wright, will be held on Sunday 20th March, from 3pm in the grounds of the St Joseph's Conference Centre at Kilaben Bay (140 Wangi Rd, Kilaben Bay).

The Way of the Cross will proceed regardless of weather conditions; an alternative undercover area is available onsite. Students, families and friends are invited to attend.

Student volunteers who are reading and performing are required to return a permission note to the school before the event.

## Be Grow Show

Be Grow Show is a retreat for youth during the Lenten period, ending with Way of the Cross on Palm Sunday. The retreat is held at St Joseph's Conference Centre Toronto from the 18<sup>th</sup> -20<sup>th</sup> March 2016. This year's theme is 'Blessed are the Merciful'. Young people aged 16 and over are invited to attend. The cost is \$80, however the school will pay this cost for students who attend. The retreat will begin with praise and worship on Friday night, including a concert by the Spirit and Truth band.

# SONG COMPETITION

Our annual Aspire Songwriting Competition is a diocesan wide initiative designed to encourage creativity and self-expression through songwriting. Entries will be judged on creativity, originality, lyrics, melody and overall likeability. The winning entry will feature in our August season at the Civic Theatre.

This year's production is titled '**There's Something Strange about Marvin McRae**'. The show centres on a young boy that thinks he's weird and questions just what it is to be normal. We are looking for songs that not only reflect this theme but also promote acceptance of others and embracing what makes us unique!

Video yourself singing/and or playing your composition, (no matter how rough or unrehearsed) and send it to:

**[cathy.ogorman@mn.catholic.edu.au](mailto:cathy.ogorman@mn.catholic.edu.au)**

Alternatively, by post - on CD/USB to:

Cathy O'Gorman  
St Pauls High School  
Primrose Street  
Booragul NSW 2284

The selected song will be digitally re-recorded at Tommirock Studios Newcastle and will feature in this year's production at the Civic Theatre.

We are looking forward to hearing your amazing music!

WIN**

In its 5th year our audition based drama, dance, music and creative and performing arts program, ASPIRE provides quality training for students from Years 5 – 11.

Led by an Artistic Director and five Ensemble Directors, ASPIRE invites talented students from across the diocese to audition to develop and enhance their skills through performance opportunities in vocal, instrumentation, drama, dance and strings.

The name ASPIRE was chosen because it suggests seeking something more and aiming high.

## Where the Growth in Future Jobs are...

The Employment Outlook to November 2019 provides an overview of the employment outlook across industries, occupations, states and territories and regions. This report is based on the previously released 2015 Employment Projections for the five years to November 2019. [Click to view employment website](#)

To better understand the data released we've consolidated key statistics into a spreadsheet to download. [Click here to open Excel doc.](#)

The Australian Government estimates that the job market will grow 1.2 million by Nov 2019. Currently 11.6 million people are in jobs and this will increase by 10% to 12.8 million. More than 50% of the new jobs will require a Diploma or Degree.

## The Top Jobs by Growth

1. Sports, Travel and Personal Service Workers
2. Information Professionals
3. Health, Education, ICT and Other Managers
4. Health Diagnostic and Therapy Professionals
5. Carers and Aides
6. General-Inquiry Clerks, Call Centre, Receptionists
7. Legal, Social and Welfare Professionals
8. Medical Practitioners and Nurses
9. Sales, Marketing & Public Relations Professionals
10. Community and personal service workers
11. Health and Welfare Support Workers
12. Food Trades
13. ICT Professionals

## Work Experience Year 10, 2016

Students in Year 10, who would be interested in doing Work Experience this year, should be actively looking for contacts now. Remember you cannot start work experience until you have completed the **compulsory** 'Work Ready Program' early in Term 2. Any questions regarding this please see me before the end of term.

NAPSA NSW/ACT annually produces the **Where Do You Do It Guide** which enables prospective students, careers advisers and teachers to find an area of interest and the educational institutions offering courses listed under each area of study.

This guide may be viewed on MN Live under Student News.

## Street Smart Handbook 2016

The Street Smart handbook is an initiative by the AUSPOL - Police Welfare Foundation that is a practical life guide for 16 and 17 year old school leavers that is designed to help prepare today's youth for life after school.

The handbook covers important topics from sexual health and the effects of drug and alcohol abuse to legal rights and applying for a loan. It offers information specific to the school leaver, providing invaluable assistance for those who are considering buying their first car or living away from home. The handbook is also a handy guide for teens that are pondering their future career choices and supplies them with advice on apprenticeships, university and TAFE. It provides teens with straightforward, factual information about issues that they will face.

I have provided a link to an online edition of the Street Smart Handbook. This has also been emailed to all students in year 11&12.

**Seasons for Growth® Parent Program:**  
Supporting your child following separation and divorce

This short program offers parents the opportunity to explore ideas and strategies that might assist in supporting their child/ren through the changes happening in their family. Discussions will include:

- How parents can help their child
- Children's reactions to change and loss and how they cope
- Communicating with your child
- The Seasons for Growth® approach to understanding and managing change, loss and grief
- Caring for yourself - how this helps in providing positive parenting

The conversations will focus on what the experience of separation and divorce is like **from a child or young person's perspective.**

- Venue:** Edgeworth Heights Public School
- Dates:** 3<sup>rd</sup> and 10<sup>th</sup> March, 2016
- Time:** 12.30pm – 2.30pm
- Cost:** \$15 (payable on the first day)
- RSVP:** Edgeworth Heights Public School on 4958 1180

*Comments from Parents "I gained a lot of confidence in myself...I hadn't realised how many changes my kids are facing...I was reminded of the importance of spending time with my kids...I found the journal very useful...I will make sure I communicate more with my children about the changes in our family."*

*The Co-ordination of Seasons for Growth® in the Hunter region is made possible through funding from the Catholic Schools Office & Catholic Diocese of Maitland-Newcastle.*
