Dear Parents and Caregivers,

Welcome to the second half of Term 1. The year is certainly moving along at a fair pace. Summer has now left our shores and we move into the mild months of Autumn. In saying that, the summer that we have just experienced was much different to normal. Cooler days and consistent rainfall seemed to plague the season.

Last week we hosted the swimming carnival at New Lambton Pool. It was a wonderful day with excellent attendance and high participation from all students. The Carnival feel was evident in the fancy dress and the positive spirit shown by all. Congratulations to the winners of the various age groups and the overall winning house, MacKillop.

Mr Phil Cassell and Mrs Christine Pakalniskis will continue their leave into term 2. Mr Ian McCutcheon and Mr Matthew Cooke will continue as their replacements. Miss Chloe Morgan who is currently working with Mrs Parsons has been offered a permanent full-time position with another organisation. We wish her well and thank her for her work this term. We are currently advertising for a replacement teacher to begin as soon as possible. Miss Morgan finishes on the 17th of this month.

We also welcome Mrs Sandra Austen to the English Faculty. Sandra comes to us from Orange where she taught at James Sheehan Catholic High School. She is a highly experienced stage 4-6 English teacher who has come highly recommended from her current Principal and Leader of Pedagogy. Sandra is replacing Mrs Felicity Foley who has been seconded to San Clemente College.

This past week we have been focussing on Student Wellness. Headspace, the Adolescent Mental Health group have been working with all our students in information sessions in the Damascus Centre. Our staff were able to work with Dr Steven Spencer, an Adolescent Mental Health specialist and author at our Professional Development afternoon where he guided us through a new method on working with young people when they are in distress. We also hosted a session for interested parents on Wednesday evening where similar topics were presented. The issue of mental health is critical for all staff who work in schools and it would be true to suggest the pressures from 2020 and COVID have probably heightened issues for many of us.

You would have probably been aware of the media interest in Vaping or e-cigarettes particularly for young people. The NSW government has also raised concerns at the increase in young people using e-cigarettes and vaping in schools. Vaping is the act of inhaling a vapour produced by an e-cigarette or electronic vaporizer. The devices are small and can be easily hidden in a pocket or bag. Vapes can resemble USB sticks or highlighter pens. The e-cigarette or vapes can contain nicotine which is highly addictive, and other substances extremely detrimental to a person's health: flavourings such as diacetyl, a chemical linked to a serious lung disease, volatile organic compounds, cancer-causing chemicals, and heavy metals such as nickel, tin, and lead. The selling of vapes and e-cigarettes to people under 18 years of age is illegal. Vaping is prohibited at St Paul's Catholic College, during the school day and when in school uniform. Vaping or being in possession of vapes will result in external suspension. Selling vapes at school or while in school uniform may result in expulsion. Students who are in the company of others who vape will be regarded as equally guilty and will receive similar consequences. We are asking parents to be informed and to discuss with your children the dangers of vaping and making good choices. Additional information to support parents and students can be found at [Electronic cigarettes - Tobacco and smoking \(nsw.gov.au\)](https://www.nsw.gov.au/e-cigarettes)

Enjoy the colours of the Autumn. Enjoy the final balmy days as we prepare for the coming winter.

Go gently,

Mr Graeme Selmes
Principal

Colin Doyle Mathematics Competition

17 students from our current Year 12, sat a challenging three-hour examination for high achieving mathematic students throughout the Hunter and Central Coast at the end of 2020. The Colin Doyle Memorial Prize mathematics competition run by Newcastle University, gave these students an opportunity to solve eight complex questions. They were very innovative questions and quite different to what they were used to.

The students are to be congratulated for attempting a prestigious competition, putting them out of their comfort zones and achieving wonderful results. The results are listed below:

Highly Commended

Ashwin Jaisankar

Ashley Carroll

Award for Excellence

Benjamin Lerch

Kalu Lui

With both Ben and Kala receiving an A grade putting them both in the top category of the region.

On top of this Kala received an honourable mention from the University. This award places her as an elite student in the Hunter and Central Coast area.

Leader of Pedagogy—Mathematics

FROM THE LIBRARY

If you are in Years 7,8 or 9 and are interested in completing the Premier's Reading Challenge this year, please let Mrs Beezley know. You can see her in the library or email your interest to her. If you are emailing please indicate whether you have entered the challenge previously and if so, which school you were enrolled in. This is so that we can have your record transferred to St Paul's.

The PRC has just opened and finishes on 20 August. The Year 7 – 9 Challenge requires you to read 20 books – 15 from the PRC list and 5 of your own choosing. The reading lists are available in the library or from the PRC site. Happy reading!

This year's **ASPIRE** production is well and truly underway with so many of our wonderfully creative students taking part. We would like to recognise the following students who are participating in the 2021 production:

Senior Vocal Ensemble

Tara Cowen	Year 10
Kirrily Boslem	Year 9
Gabrielle Brady	Year 9

Stage Band Ensemble

Lisa-Jean Hall (<i>Flute</i>)	Year 10
Michael Pockran (<i>Trumpet</i>)	Year 10
Connor Rankine (<i>Trumpet</i>)	Year 7

Junior Drama Ensemble

Sophie Robinson	Year 8
AJ Gibson	Year 7
Sophie Fuller	Year 8

Senior Drama Ensemble

Samuel Adey	Year 11
-------------	---------

Dance Ensemble

Emma Maria Alexander	Year 8
Imogen Cowen	Year 8
Analeigh McKibbin	Year 7
Cleo Doyle	Year 8
Jamie Pockran	Year 8

Our students also have the opportunity to enter the song writing competition, the details of which for any student interested are included in their Compass notifications. This is a chance for students to be creative and write a piece that may be selected to represent the current aspire show. You don't have to be musically inclined. Students who like to write poetry are also encouraged to submit an entry.

In addition to the new opportunities with ASPIRE, this term our junior students will have the opportunity provided in -class time to watch the ASPIRE 2020 production, 'The Pecking Order.' This will occur after assessments have finished in either their Visual Art or Music lessons (Year 7 and 8) or in their Elective classes (Years 9 and 10). The students are very excited to share all their hard work with their peers.

DIOTHEATRESPORTS

On Wednesday 3rd March 16 stage 5 Drama students travelled to the Factory Theatre at St Pius to participate in the annual DIOTHEATRESPORTS competition. Over 50 students from years 9, 10 and 11 from different schools across the Diocese came together to perform and support each other as audience members. There were three sections consisting of activities with different time limits and the students were judged by the panel on their entertainment value, plot and technical skills. The two year 9 groups and one year 10 team from St Pauls worked collaboratively to demonstrate their improvisational skills, making, accepting and extending offers while being respectful audience members. Our year 10 team were particularly pleased with their score, coming second in the Year 10 section of the competition, congratulations guys!!! Well done to all students who attended the event, you all did the school proud.

Mrs Cassie Burt
Drama Teacher

SONG COMPETITION

This year's songwriting competition offers two starting points for aspiring songwriters to explore as they get creative

This year's songwriting competition takes its themes from the 2021 ASPIRE production *The Masked DJ*. Young composers and songwriters can use one or both of this year's two inspirational concepts to write their original song:

MASKS

After 2020 we are all way too familiar with face masks, but what other kinds of masks could you use as inspiration? As well as physical masks you wear there are also the metaphorical masks we all wear at times to pretend to be something we are not or to fit in. The idea that everyone wears a mask of some kind is a strong theme in *The Masked DJ*.

DANCE MUSIC

Use the genre of dance music to inspire your tune. We encourage entries from writers who use technology to create their music.

WEEK 10, TERM 4 2020

Entries can be uploaded to the ASPIRE website

WEEK 6 TERM 1 2021

Entries close: Friday 5 March 2021

WEEK 8, TERM 1 2021

Workshopping of shortlisted songs:
Monday 15 March 2021

WEEK 9, TERM 1 2021

Songwriters Showcase Performance
where the winner will be decided:
Thursday 25 March 2021

As with last year's competition, after entries close shortlisted finalists will have the opportunity to workshop their song with professional musicians. The winner will be decided at a live concert where a panel will judge the songs. This year there will be both a primary and secondary winner, both of whom will receive a \$300 Muso's Corner Voucher and have their song professionally recorded at Tommirock Studios.

HOW TO ENTER

Video or record yourself singing and/or playing your composition, even if this is a work in progress, and save it as an **mp3** file. Attach a **copy** of your lyrics and music e.g. the chords you play with your song. However, writing out your song isn't compulsory. We really want to hear your song! You will be able to enter and upload your files to the ASPIRE website from **Week 10, Term 4 2020** and entries close Friday 5 March 2021.

NSW Health is ensuring that students are safely vaccinated at school during COVID-19

- Information for parents/guardians

NSW Health has been working with education authorities to implement additional measures to ensure that students in Year 7 and 10 can be safely vaccinated during the COVID-19 pandemic.

Program background

In 2021 NSW Health is offering the following vaccines:

YEAR	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV)	2 doses at least 6 months apart
	Diphtheria, Tetanus and Pertussis (dTpa)	1 dose
Year 10	Meningococcal ACWY	1 dose

Additional measures

NSW Health has implemented additional measures based on expert clinical advice to reduce the likelihood of COVID-19 transmission in school clinics, including:

- health screening of nurses before clinics
- pre-vaccination screening of students
- physical distancing restrictions at the clinic entrance & observation area
- ensuring the number of students and nurses at the clinic does not exceed the maximum allowed
- enhanced hand hygiene by nurses and students
- enhanced environmental cleaning of all surfaces

What parents/guardians should do

Parents/guardians should ensure that students with influenza-like symptoms do not attend school and are tested as soon as possible (www.nsw.gov.au/covid-19/symptoms-and-testing). There is no need for parents/guardians who have given consent for their child to receive vaccinations at school to take any action. Parents/guardians who have not provided consent can contact their local public health unit on 1300 066 055 or their school for advice on how to provide consent for vaccination.

When students will be vaccinated

Public health units are arranging clinics with schools so that vaccinations can be given to students as soon as possible.

More information

Information about school vaccination is available at www.health.nsw.gov.au/schoolvaccination

Sample School Newsletter

NSW SCHOOL VACCINATION PROGRAM

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2021 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV9) vaccine	2-doses at least 6 months apart
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
Years 10	Meningococcal ACWY vaccine	Single dose

Parent Information Kits that include an information sheet, consent form and privacy statement will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to:

- read all the information provided
- complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- return the completed consent form to their child's school
- ensure that their child eats breakfast on the day of the school vaccination clinic.

To improve vaccination completion, students who return a signed vaccination consent form while in Year 7 and who miss vaccine doses at any clinic, will be opportunistically offered these vaccines at each clinic visit throughout 2021 (Year 7) & 2022 (Year 8).

Students who have a dose of HPV at their GP can complete the course in the school program if a signed consent form has been returned to school.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at http://www.health.nsw.gov.au/immunisation/Pages/withdraw_consent.aspx

A Record of Vaccination will be provided to each student vaccinated at each clinic as a physical card. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

Tax File Numbers

Any student will need a tax file number if he/she starts work (part-time and full-time) and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they will be requested to provide their Tax File Number (TFN) on enrolment to TAFE or university next year, so it is worthwhile getting an application submitted early!

Students must now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.
